**EQUIPMENT**

She offers advanced and the latest brand new equipment systems, such as equipment settings, sails, rig strength, electronic navigation, weather routing, boat handling preparation, night sailing, heavy water tactics, jury rigs, survival techniques and more.

**ACCOMMODATION**

She can accommodate 8 guests with  
one spacious owner's suite  
one VIP cabin  
2 twin cabins en suite,  
offering a light, airy atmosphere for your comfort.

Her interior design is best described as Edwardian, elegant comfortable and classy.  
The solid wood doors create an interior that exudes positive energy leading to an aft deck with two comfortable white circular leather couches accompanied by two wooden tables and a wet bar for drinks.

She offers the perfect blend of classical interior and casual outdoors areas, providing her guests with an ambiance of a luxurious environment on sea.

Throughout the Spacious salon areas there are large wooden windows with chic cherry wood paneling.
