ACCOMMODATION

Accommodations:
8 Guests In 4 Staterooms
6 Crew In 3 Cabins

Designed by the premier high-speed mega yacht designer of the world. She is in the elite class of mega yachts capable of reaching speeds in excess 30 knots. She features unique ultra modern styling, spacious interior design and comfortable, quite performance. She has been continuously maintained and improved to the highest standard

A truly impressive built by Heesen shipyards in Holland, she is an excellent performance yacht. What makes this vessel very different from anything else on the market is without a doubt the vessels interior. Totally refurbished to AAA Class Standards in every detail, both interior and mechanically, including all cabins, salon, dining room. All panels of the boat are now with Connolly Leather.

MAIN DECK

INTERIOR: The main deck consists of the main salon aft, having two impressive oval sofas with four glass coffee tables. Moving forward there is the central stairwell in the middle of the salon that leads into the dining area of 8. There is also a dayhead on this level and access to the galley/ crew area and starboard and port deck.

Hidden halogen lamps along with panel lights provide a very good lighting in the salon and dining area.

The central staircase is a real feature of the vessel. Executed with Lucite handrails and a charcoal burl wood veneer throughout, it needs to be seen to be believed.

LOWER DECK

Entering the lower guest area is via the central staircase. This leads you down to a round corridor where all of the guest's cabins are accessed.

The Master cabin is located on the lower deck is full beam, has a very large bathroom having a black Jacuzzi tub, head with separate shower, double sink, bidet. King-sized bed with two night stands, drawers on the starboard side. Beige Connolly leather covers all panels. Halogen lighting on the ceiling and indirect lighting underneath. Very well appointed with a color scheme of grey, black and beige, it is very private, intimate and enjoyed by owners who have spend their relaxing times there.

All bathrooms/ day heads on the vessel are executed in onyx with backlighting for effect.

Guest Staterooms

Two identical queen sized -bed cabins and a two single berth one, night stands, drawers underneath berths. Halogen ceiling lighting and indirect hidden lighting underneath.

EXTERIOR:

The aft deck is spacious and offers a table for eight, a large settee, wet bar on the starboard side with refrigerator and wing control stations. There is access to the bridge via stainless stairs. The deck and swim platform deck are finished in teak. Additional access to engine room.

BRIDGE DECK

INTERIOR: The bridge deck consists of the bridge along with the skylounge. A sophisticated high tech wheelhouse with state of the art electronics. Just aft of the wheelhouse is the newly decorated sky lounge. There are two semicircular, camel ultra soft leather sofas with accent pillows and built-in tables; one side converts to a lounge-type sofa. Built into the cabinetry are a U-Line icemaker and a Sony TV with DVD & surround sound.

The stairwell from the main salon incorporates a charcoal burl wood veneer, stainless and Lucite handrails. Enameled wood used for cabinetry surfaces, commonly throughout the boat, is zebra striped.

Aft of the sky lounge is the sun deck area, accessible through full-sized glass doors. There is an L-shaped settee forward to port with a hi-lo that converts to a bunny pad. There is a large settee aft. Features also include wet bar with sink, icemaker, refrigerator, four stools, Jenn Aire grill and generous sunning areas.

EXTERIOR: The bridge deck aft has a seating area where it has been found that most of the meals on the vessel occur. This area consists of two tables (one large one for the adults and a smaller one for the children). Seating in this area is for 12 guests.

TENDER GARAGE

The tender garage houses the tender, 2 x jet skis.
