FACILITIES

A comfortable lounge done in rich, wooden-paneling
A cozy bar area
Ample sun decks
Deck-seats
Her own freshwater-makers.

Galley:

In the galley there is a stove with four burners, two ovens, a two door refrigerator, trash compacter and organic waste disposal unit.

There is also an 8lb per hour ice maker, a microwave, various appliances such as coffee maker and kitchen blender and mixer.

In addition there are two domestic freezers and a refrigerator. The cooker is by propane with a properly stored propane bottle ventilated cabinet on the main deck.

ACCOMMODATION

16 passengers in:

**10 double cabins with private bathroom and air-conditioning.
Guest accommodations: 16 guests.**

There is a large comfortable and bright salon and formal dining area large enough to seat and serve over twenty passengers.

A full bar is situated on the Port side with a buffet area for service. There are four watertight doors to the salon area two to Port and two to Starboard. In the center of the salon are companionways down to the forward guest staterooms and the aft guest staterooms.

There are two day heads located in the aft of the main salon. Below forward there are six staterooms and below aft are four staterooms. All are finished equally well with one double and a single bunk.

Each has an ensuite shower vanity sink and marine head. The Captain and Chief engineer's staterooms are situated on deck behind the wheelhouse with close access to both steering positions. There are four crew berths in the focsle and the remainder are below the wheelhouse adjacent to the ships galley.

Aft of the main salon there is a center-line companion way to the galley which is on the Starboard side.

To port are two more staterooms. Further aft there is a stairway slightly to port that descends to eight more staterooms.

These are of varying sizes and there is a full beam lounge with transom windows fully aft. This lounge along with one or two of the adjacent staterooms could be remodeled into a luxurious Owners stateroom.

Continuing aft one arrives at a short stairway to the aft steering cockpit which is elevated for a full view of the decks and rig and also has full engine controls.

CREW

Captain, first mate, engineers, two sailors, chef, chef assistant, licensed Naturalist Guide.
